Optimization Theory, Decision Making, and Operational Research Applications

*Proceedings of the 1st International Symposium & 10th Balkan Conference on
Operational Research*

At the occasion of the 1st International Symposium and 10th Balkan Conference on Operational Research, BALCOR 2011, September 22-24, 2011, Thessaloniki, Greece (<http://balcor.uom.gr>), we invite all conference participants to submit their research work to the forthcoming book of Springer Proceedings in series: Mathematics & Statistics (PROMS) (<http://www.springer.com/series/10533>), dedicated to BALCOR 2011. The contributions should be of a high mathematical standard and of current interest. Submitted papers will be refereed by at least 2 independent referees of the scientific committee.

Contributing authors should use the LaTeX2e style files for multi-author books and follow the technical instructions available at:

www.springer.com/cda/content/document/cda_downloaddocument/svmult.zip

Papers that do not comply with these guidelines will not be considered for publication.

Prospective authors should submit a new version of their papers via the EasyChair platform: <http://www.easychair.org/conferences/?conf=balcor2011> in the form of a compressed (.zip) file containing all source files (.tex, .eps, ...) and a printable .pdf file.

Please note that, submissions must be registered by December 15, 2011, in order for a paper to be considered. In order to register a submission, authors should send an email to balcor@uom.gr indicating the title and a list of authors, by this date.
